

Welcome to the Community Center at MLC

The rustic and spacious 2,100-square foot heated and cooled building includes a downstairs lounge, a large kitchen with stainless, commercial grade equipment and three restroom facilities. A wraparound porch overlooks our lawn, playground, and brick fire ring.

MLC hosts weddings, birthday parties, fundraisers, receptions, family reunions, celebration of life services, sports banquets and more. Prepare food yourself or bring in the vendors of your choice and plan your celebration your way.
